Any funds remaining from the sale of said bonds, after paying and improving the streets above mentioned, shall be used for the purpose of paving Main Street with concrete to a width of 14 feet, from the intersection of Main Street with the street West of the Baptist Church and in a western direction until said street has been paved to the corner of Hill Street or until said funds are exhausted.

The streets above mentioned shall be paved with either brick or concrete, or partly with brick and partly with concrete and in such manner and portions as the engineer, employed by the Town of Lumberton, may direct.

The said bonds are issued under authority of an ordinance adopted by the Common Council of the Town of Lumberton, on the 3rd day of April, 1916, and which ordinance and all matters pertaining thereto were, by proclamation duly made by the Mayor of the Town of Lumberton, on the 17th day of April, 1916, and published as required by law, submitted to a vote of the electors of said Town, called and held on the 17th day of April, 1916; at which election said ordinance was ratified and said loan authorized by more than three-fifths of the votes cast at said election.

The bonds are each of the amount of \$800.00, dated July 1st, 1916, and interest at the rate of six per centum per annum, payable annually on the 1st day of June of each year, and the principal of said bonds to be repaid by a sinking fund payable on the 1st day of June, 1941, with the right to the said Town of Lumberton to redeem the same on any interest date contained in a collateral note dated August 30th, 1913, due four months after date, made by I. W. Semans, J. V. Thompson and J. M. Husted to the order of United National Bank, Clarksburg, West Virginia, which note was assigned by said bank to the undersigned, who is the present holder and owner thereof. Would You Like to Buy a Fine Residence Close In?

OR WOULD YOU RATHER TEAR DOWN THIS RESIDENCE AND BUILD AN APARTMENT?

You can do either, and make money out of the proposition that I have to offer right from the completion of the deal. I offer for a limited time, the property on the corner of Sixth street and Traders Alley, No. 116 Sixth street. If you wish to occupy it as a residence it has the following improvements: Lot 56x86 1/2 feet. Eleven room residence, modern, oak and walnut inside finish, eight very fine old mantels, three porches, slate roof, electric and gas lighting fixtures, large cellar, rents for sixty dollars per month, has three baths, running hot and cold water in bed rooms, and could with a little cash be very easily converted into four apartments that would bring a monthly rental of one hundred and forty dollars per month. Property is open on two streets and gets air and light from three sides and for this special reason is as adaptable for the purpose of raising and rebuilding an up-to-date apartment house as any location in the city of Clarksburg. I will be willing to put a few thousand in this proposition along with four or five good business men and build an apartment building at least eight, and perhaps ten stories high, with modern elevator service, with a fire proof building, and such a proposition could be handled for from fifty to seventy-five thousand dollars and would net the investor ten per cent on his money invested, and as for the prospect of tenants there is never a day that I do not refuse some one wanting a house or an apartment in Clarksburg. If interested come to the office. I have an iron clad option on this property and you can either deal with me or the owner.
